WORKSHOP PREMISES	60,000 Sq. Ft. (Full-Service Fabrication)
LICENSE NUMBER	240304 — Dept. of Economic Development

ABOUT THE COMPANY

Al Deraa Structural Steel Fixing & Contracting LLC is a premier steel fabricator, erector, and civil contractor operating from a full-service 60,000 sq. ft. fabrication facility in Al Qouz Industrial Area, Dubai. Established in 1996 and ISO 9001 accredited, the company combines three decades of expertise with cutting-edge technology to deliver structural excellence across the UAE.

The company has a proven track record of collaboration with leading government and private entities including Dubai Municipality, D.E.W.A., and Trakhees, delivering projects on time, within budget, and to the highest quality standards.

A limited liability company ISO 9001 accredited with **Zero safety incidents** — delivering strength in steel and excellence in execution since 1996.

 **Al Talib Electromechanical & Metal Works LLC** — Providing complementary electromechanical and metalwork solutions across the UAE.

02. MISSION, VISION & VALUES

VALUES

OUR MISSION

"State of the art Steelwork and Fabrication."

Through trust and integrity, we are committed to developing long-lasting relationships with our clients. We strive towards providing the very best through our effective and efficient quality management — with inventive, tactical and concrete expertise in our field.

OUR VISION

"Excellence in providing the finest services in our field."

We are confident in our development and training efforts and establishment of cost-effective systems which will irrefutably lead to an excellent and dependable service from our end.

CORE VALUES

QUALITY FIRST

ISO 9001 quality management in every project phase

SAFETY CULTURE

Zero-incident track record across all operations

INTEGRITY & TRUST

Transparent, honest dealings with all stakeholders

TIMELY DELIVERY

Consistent on-time project completion at competitive cost

INNOVATION

Cutting-edge technology deployed across all services

PEOPLE DEVELOPMENT

Continuous training and skills investment for all staff

QHSE COMMITMENT

Al Deraa operates under a comprehensive Quality, Health, Safety & Environment (QHSE) policy. Our zero-incident record reflects the company's unwavering commitment to maintaining the highest safety standards across all workshop and site operations. All personnel are trained in safety procedures, and regular audits ensure continuous compliance with UAE regulatory requirements.

Strength in Steel, Excellence in Execution — Our tagline encapsulates our identity: the structural robustness of our fabrications, the precision of our installations, and the professionalism of our client relationships.

03. OUR SERVICES

SERVICES

Al Deraa provides a comprehensive suite of structural steel services spanning high-rise buildings, heavy industrial works, architectural elements and pre-engineered buildings. Our capabilities cover the full project lifecycle — from design, fabrication and erection through to installation and ongoing maintenance.

<ul style="list-style-type: none">▲ High-Rise Buildings<ul style="list-style-type: none">– Structural Steel– ACP Cladding Supports– Roof Steel Structures– Mezzanine Floors– Steel Beams & Columns– Catwalks & Platforms– Equipment Support Steel– Facade Support Steel	<ul style="list-style-type: none">■ Heavy Structural Works<ul style="list-style-type: none">– Embedded Steel Works– Composite Columns– Shear Plates & Shear Studs– Base Plates & Anchor Bolts– Transfer Beams & Girders– Steel Bracing– Pipe Rack Structures– Crane Support Steel	<ul style="list-style-type: none">◆ Non-Structural Steel Works<ul style="list-style-type: none">– Staircases & Handrails– Ladders– Gates & Fencing– Kick Plates– Trench Covers & Gratings– Bollards & Barriers– Access Platforms– Cable Tray Supports

SPECIALISED CAPABILITIES

MACHINING SUPPORT FRAMES

Custom structural steel frames and support systems for industrial robots, automated machinery, and heavy equipment installation.

STRUCTURAL FIXING & RETROFITTING

Upgrade and reinforce existing structural installations to current safety, load and regulatory standards. Emergency response capability.

04. WORKFORCE & PERSONNEL

Al Deraa maintains a skilled, multi-disciplinary workforce of 400+ personnel across engineering, fabrication, site operations, and support functions. All site personnel are NEBOSH/IOSH trained.

Total Workforce	400+ personnel
Engineers	Structural, civil and technical engineers
Draughtsmen	AutoCAD / Tekla-trained structural draughtsmen
Certified Welders	AWS / ASME qualified welders for all weld categories
Site Supervisors	Experienced in large-scale steel erection projects
Safety Officers	NEBOSH/IOSH certified — full-time on all active sites
Quantity Surveyors	In-house QS team for cost control and procurement
Workshop Supervisors	Overseeing production, quality and delivery schedules

05. MACHINERY & EQUIPMENT

ASSETS

Al Deraa operates a fully-equipped 60,000 sq.ft. fabrication workshop with a comprehensive inventory of modern machinery — eliminating subcontracting for fabrication and ensuring quality control throughout the production cycle.

FABRICATION MACHINERY

Laser Cutting Machine	01
Shearing Machine	01
